Tredit Tire and Wheel is committed to creating the conditions of an uninterrupted travel experience while our customers use our product(s). While we make every effort to insure the quality of our products, we know things can happen.

We are committed to bring peace of mind to the ownership experience of our products.

If a product ever fails due to a manufacturing defect, even after extended use, we will replace it or provide reimbursement for an equal product, at our discretion and in accordance with the limited warranty of your tire. If the product fails for some reason outside of these warranty parameters in the first twelve (12) months of ownership, all registered products are eligible for our replacement and/or reimbursement program.
